**Which average income would be a goal for you?
 Let me show you how to get there step by step with part time efforts**

WorldVentures has designed its compensation plan to reward Independent Representatives (1) successfully making personal sales of WorldVentures' retail products (DreamTrips, memberships); and (2) successfully building sales organizations by recruiting, training and motivating others to do the same. Below is an income breakdown.

ssfully

Promotion Level	High Commissions & Overrides	Low Commissions & Overrides	Median Commissions & Overrides	Average Commissions & Overrides	Percent of Independent Reps

The average annual commission or override earnings of all IRs, including those who did not earn a commission or override, was \$203.59. The average annual commission or override earnings of that group of IRs who earned a commission or override was \$909.57 and the median was \$40.00. Notes:

Power of One - Do You Understand The Concept

1. Enrol 1 Time	DreamTrips Life Membership	\$220 USD	Both DTL & RBS
2. Renew Monthly	DreamTrips Life Membership	\$55 USD	\$397 USD 1 time
3. Enrol 1 Time	Representative Business System	\$110 USD	\$67 USD Monthly
4. Renew Monthly	Representative Business System	\$12 USD	
5. Find 1 Person Per Month To Do These Same 5 Things			Refer 4 Pay No More Monthly

Starting With Just You (1 Person) And A Goal To Enrol
1 Person (Minimum) Per Month & Teach Them To Do The Same

Month 1	=	2	Total Members On Your Team Including You
Month 2	=	4	Total Members On Your Team Including You
Month 3	=	8	Total Members On Your Team Including You
Month 4	=	16	Total Members On Your Team Including You
Month 5	=	32	Total Members On Your Team Including You
Month 6	=	64	Total Members On Your Team Including You
Month 7	=	128	Total Members On Your Team Including You
Month 8	=	256	Total Members On Your Team Including You
Month 9	=	512	Total Members On Your Team Including You
Month 10	=	1024	Total Members On Your Team Including You
Month 11	=	2048	Total Members On Your Team Including You
Month 12	=	4096	Total Members On Your Team Including You

What if it takes 12 years—would that still be ok?

Hypothetical Example: There Are No Guarantees Regarding Income

4,096 Members With Proper Lineage = International Marketing Director

I.M.D. Annual Commissions: High: \$1,954,024 Avg: \$564,299 Low: \$142,815
Up To \$1,500 Monthly Car Bonus
Up To \$3,000 Monthly House Bonus

90% Wrong Skill = 409 Members With Proper Lineage = Marketing Director
M.D. Annual Commissions: High: \$227,280 Avg: \$57,384 Low: \$11,780
Up To \$900 Monthly Wheels Bonus

You will earn approximately \$10,000 + (Commissions, Bonuses, Residuals)

If Your Membership Base (in first 12 weekly pay periods) Grows To 90 Members Left & 90 Members Right
(180 Total with 140 Lineage - review specifics for \$5,000 Director Bonus)

Enrol 4 Members Personally Pay No More Dues (4 Active Members)
Enrol 6 Members Personally Earn up to \$570 USD (in first 4 Weekly Pay Periods)
Enrol 12 Members in a calendar month earn "Wheels Bonus" (Through Lineage Team)

Think About These 2 Things:

1. If you properly and with excitement show a few people per month the slides/videos at www.AustraliaHolidayClub.com do you BELIEVE you can enroll 1 person?
2. Will you make sure your team understands, duplicates & can teach this concept?

Let's Talk About The Importance Of Timing & Placement

Every representative will build 2 teams (Left & Right). Both sides are equally important - neither side is more important than the other.
I will be sharing this program with everyone I know and you are next on my list.

Left Team

You are being offered the single next best position on my team.
Let's say you enrol today and I place you on my left team

Let's say you enrol Jim
"OR"

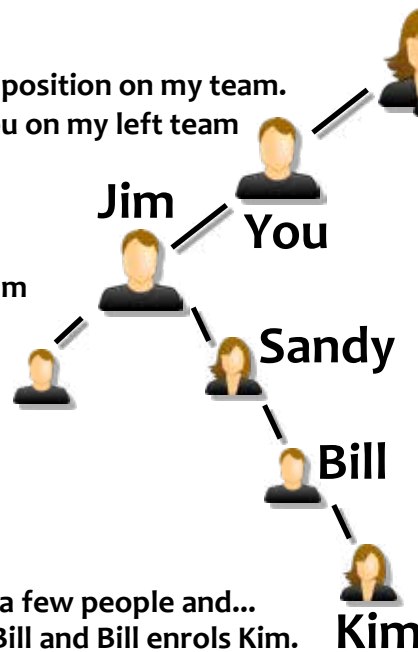

I enrol Jim and place him on YOUR left team
(which is called Spillover)

Either way Jim is now on YOUR team
and his entire membership base is
now part of your membership base.

Let's say Jim begins to enrol a few people and...
Jim enrolls Sandy, Sandy enrolls Bill and Bill enrolls Kim.
Let's say Kim's Team Grows to 100 Reps & they together
enrol a membership base of 400+ members this year.

(ALL 400+ members are now on YOUR left team)

Me

Right Team

Let's say I enrolled Robyn and chose to place her on my
right team

let's say I enrolled Chris and chose to place him on my
right team. Chris is now also on Robyn's team

Let's also say I enrolled Sally and chose to place her
on my right team. Sally is now also on both Chris &
Robyn's team

**This is a hypothetical example.
There is no guarantee of income or that your
team members will do ANYTHING.**

Let's Talk About The Importance Of Timing & Placement

Left Team

Scenario 2:

Let's say you decide to wait or think about it.

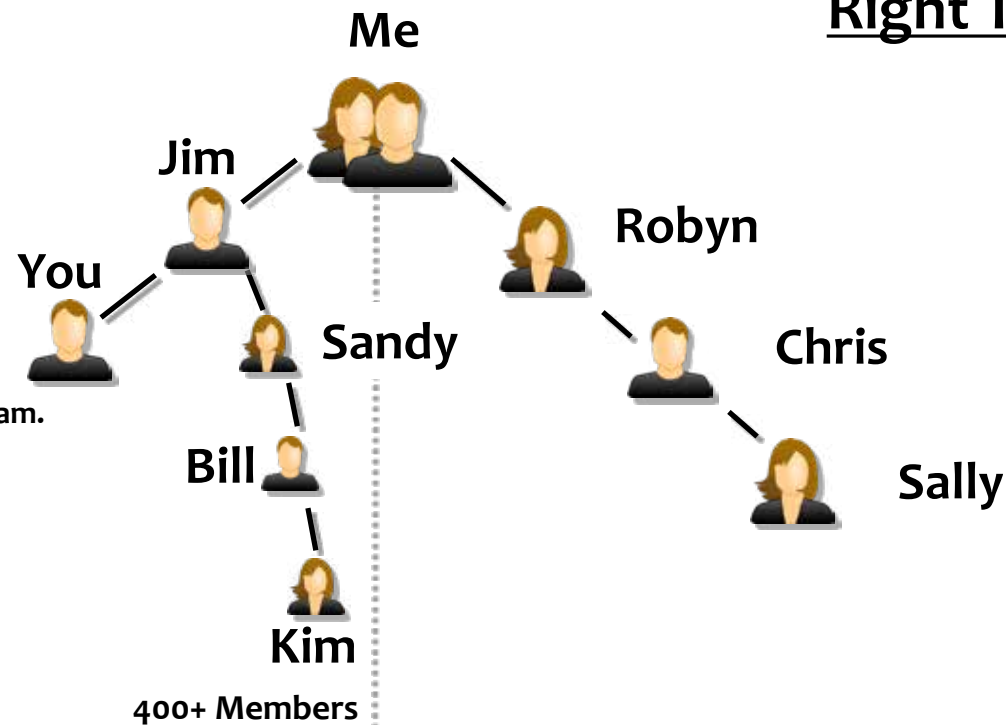

In the scenario I am still going to enrol Jim.

If you enrol after Jim then you are on Jim's team.

In this scenario that entire 400 person membership base that grew through Kim is NOT a part of YOUR membership base.

What if that membership base grows to thousands?

Right Team

This is a hypothetical example.
There is no guarantee of income or that your team members will do ANYTHING.

A photograph of two people in winter clothing standing on a rocky outcrop, looking out over a vast mountain range under a clear blue sky. The scene is captured from behind the individuals, emphasizing the landscape.

So let me ask you...

If all this did was allow you to take an extra 1 or 2 holidays a year, giving you memories that you will have for a lifetime that would not have been possible without this membership...

Would it be worth it?

Also...

If all this did was allow you to create a residual income that is just slightly higher than your bills giving you freedom in your life...

Would it be worth it?

**If intrigued, let's get your paper work filled out to secure your position.

8. Embrace Creativity and Innovation.

Imagine new possibilities. Expect and embrace beneficial change.

9. Foster Safe and Open Communication.

Communicate for new possibilities, understanding, resolution and positive action. Promote open communication, have crucial conversations at "Point Easy" (i.e., "I'd like to have an open communication with you."). Practice authenticity and transparency. Speak the truth early, sensitively and often with each other (support, constructive feedback and appreciations, etc.).

10. Ensure Sustainability in Everything We Do.

Make decisions with sustainability in mind: sustainable business practices, relationships, energy, health, etc. Model high-level health, functionality and well-being. Look for ways to do more with less.
